# Youth ACTIVITIES

## DINO DAYS

Join us for Dino Days, where your little ones can explore the world of dinosaurs through sensory play and hands-on enrichment activities. This camp is designed for our younger children who are interested in dinosaurs and want to learn more about these prehistoric creatures. Sensory play will transport your child to the world of dinosaurs where they can uncover bones and fossils, look for dinosaur footprints, and explore a variety of textures and materials as they learn about the different types of dinosaurs and their habitats. Our Dino enthusiasts will also create crafts, play games, read books, and engage in hands-on activities throughout the week. Parents will be able to follow along with the fun as they watch the week unfold on Seesaw - a digital learning portfolio that will give you a glimpse into a roaring good time!

**Fee \$125 | Register By June 12**

**June 26-30 | Monday-Friday | 8:30-11:30am**  
**Ages 4-6 | @CRES**

## DINO DETECTIVES

Are you ready to dig up some DINO-mite fun with your paleontologist pals? Come prepared to dive into the prehistoric world through hands-on activities and STEM explorations as you excavate, explore, and expand your knowledge of these incredible reptiles that once roamed the Earth. Our budding paleontologists will uncover fossils, design dinosaurs, learn about dino characteristics/habitats, get messy, and even erupt volcanoes as they work to unlock the secrets of the Dinosaur World. Parents will be able to follow along with the fun as they watch the week unfold on Seesaw - a digital learning portfolio that will give you a glimpse into the daily tasks and accomplishments of our Dino detectives!

**Fee \$125 | Register By June 12**

**June 26-30 | Monday-Friday | 12:30-3:30pm**  
**Ages 7-9 | CRES**

## PRINCESS CAMP

Do you have a little princess in your home? If you have a child that loves music, dress-up, crafts and story time, then this is a camp for your little one. Each day we will celebrate a different princess and learn how princesses are beautiful from the inside out. We will make crafts, dance, enjoy some pampering and eat a yummy snack together. We will practice teamwork & explore our talents. Come enter a magical world of fun! Children are welcome to dress up daily or they can visit my collection of dresses.

**Fee \$45 | Register By June 2**

**June 12-14 | Monday-Wednesday | 9-11am**

**Ages 4-7 | @JCMES**

## SNAPOLOGY JR BUILDER & BOT BUILDER CAMP

In this combination camp, we will divide our days between our Junior Builders program and Bot Builders with Cubelets® program. Does your little learner love to tinker and create new things? If so, they're going to love Snapology's Junior Builders program! This program will give your learner opportunities to build functional LEGO® DUPLO® models of amusement park rides, boats, ramps, cars and so much more! As your learner works alongside other little engineers, they will be learning the importance of teamwork and how collaboration is an essential component of engineering and design. In our Bot Builders with Cubelets® program, your student will begin to develop their computational thinking skills by playing with modular, robotic cubes known as Cubelets®! Every way your student snaps the magnetic cubes together creates a unique robot, but what really matters is how they figure out the perfect robot recipe to solve a challenge. They will work in teams to figure out how to create lighthouses, racer bots, wheelie bots, goofy animals, and so much more! Camp shirts included!

**Fee \$165 | Register By July 9**

**July 10-14 | Monday-Friday | 9am-12pm**

**Ages 4-6 | @PDCC**

## SNAPOLOGY MINING & BUILDING CAMP

Hey gamers, are you ready to travel all the way to The End with Snapology? Join us as we bring the game of Minecraft® out of the computer and into the real-world using LEGO® bricks. In this 4 day camp, you will go on adventures using your imagination and even design your own worlds, full of mobs, animals, buildings, and your very own LEGO® Minecraft® character. This program is from our creative building variety and students will not be provided with detailed building instructions. They will review a theme or principle of Minecraft® and then engage in LEGO® building activities around those themes. Camp shirts are included!

**Fee \$132 | Register By June 19**

**June 20-23 | Tuesday-Friday**

**9am-12pm | Ages 5-12 | @PDCC**

## SNAPOLOGY MEGA MACHINES ROBOTICS CAMP

In this machinery-focused robotics program, your engineer will explore the basics of robotics while building some pretty spectacular vehicles with their classmates! We will use LEGO® Spike™ Prime robotic sets to build our various machines including a crane, snowplow, forklift, race car, space rover, and more! While working with a partner to complete various challenges, your student will be taught how to effectively utilize sensors, how different mechanical components work in their robots, and how programming is a challenging but rewarding skill that they can master with just a little practice. We will support them in the development of their coding and building skills and inspire them with creative building challenges. Camp shirts included!

**Fee \$165 | Register By June 25**

**June 26-30 | Monday-Friday | 9am-12pm**

**Ages 8-14 | @PDCC**

## SNAPOLOGY SCIENTIST CAMP

Does your child love to experiment and ask questions about the world around them? If so, it sounds like you already have a young scientist on your hands! Snapology's Scientists program helps children explore their curiosities and cultivate a deep love for science by experiencing the different domains of scientific study & nature. Students will engage with concepts from the fields of astronomy, earth science, biology, chemistry, and physics using LEGO® bricks and other interactive learning tools. We make science fun, exciting, and approachable at Snapology! Camp shirts included!

**Fee \$165 | Register By July 9**

**July 10-14 | Monday-Friday | 9am-12pm**

**Ages 7-12 | @PDCC**

## SNAPOLOGY KINDERBOTS ROBOTICS

Children will begin to explore the world of LEGO® robotics as they build simple models that teach the fundamentals of robotic design. Whether learning about sensors while building drills and magic wands, or discovering ways that gears and pulleys create movement while building helicopters and robotic dogs, your child is sure to have a great time. Students will build the models with instructions and LEGO® WeDo 2.0 robotic sets, and then use a tablet and block-coding application to program the robot's motor and sensors to perform tasks. Camp shirts included!

**Fee \$165 | Register By June 25**

**June 26-30 | Monday-Friday | 9am-12pm**

**Ages 4-7 | @PDCC**

# Camp L.I.T.

Are you a female between the ages of 14-16 and like to challenge yourself? Do you possibly have interest in public safety to help and serve your community? Camp LIT might be for you! If you want to challenge yourself physically and mentally while learning what it's like in the field of Fire & Rescue, consider applying to spend a week with some peers. Camp LIT (Leadership, Integrity, Trailblazer) is a free of charge experience which includes an opportunity to use the hose lines just as firefighters do, enter into a smoke-filled atmosphere and perform a search for victims, learn to communicate with walkies, learn first aid and CPR, tour a fire station and the 911 center and much much more. If you have questions, contact Lt. Tyler Jessup (Rockingham County Fire & Rescue 540-564-3175) or Lt. Erin Stehle (Harrisonburg Fire Dept. 540-432-7703)

**JULY 17-21 | 8AM-5PM | AGES: GIRLS 14-16**
